

April news letter

Staff changes

We would like to welcome Emma and Rebecca to the Wise owl team. They are both apprentices who are who are working towards their level 2 in care and early years. They will be working in both the Owls and Owlet room so please say hello if you see them around the nursery. Sally Coombes who works in the Owls room will be leaving the team at the end of May. Sally has decided to carry on with her carer in childcare and will be doing child minding from home. We wish Sally lots of luck and she will be missed by all the children and staff. Sally will be replaced so your child will not be without a key worker.

Nursery meals

As from next week we will be making our own nursery lunches. These meals will be very healthy and nutritious and will be on a four week menu. Our sister nursery have already tried the menu and it went down very well with the children there. We will be using fresh fruit and vegetables and getting the meat from the local butchers. If you would like your child to have the nursery lunches then please let a member of staff no A.S.A.P. There is no charge for the nursery lunch and there will be a sample menu up in the nursery entrance hall.

Toys at nursery

We encourage sharing at all times within the nursery and children are getting very upset when others play with their toy/s from home. Also toys from home can easily get lost and again children are getting very upset when they cannot be found. To prevent this from happening we are asking you don't bring any toys from home into nursery, unless it is for a comforter at sleep times. These will then stay in the child's until they would like to go to sleep. Thank you.

Garden day – Saturday 22nd May

In Saturday 22nd May the Wise owl team will be giving the garden a mini make over. We will be planting seeds, painting the shed, planting flowers, painting the fence and having a good tidy up of the garden. We could do with an extra few pairs of hands and are asking if you have any spare time on this day please could you come and lend a hand. It would be very much appreciated.

Reminder about the nursery car park

It has been noticed again that people are using the nursery car park when they shouldn't be.

If your child is under two years old then you can park in the nursery car park. But if your child is over the age of two you are unable to use the nursery car park. Alternatively you can use the working men's club car park of the Plough car park. Charges will be occurred to any parents parking in the nursery car park when they should not be using it.

Come and join in

On Fridays we have our "parent drop in day". This gives you the chance for you and your child to do some art work together, meet your child's key worker and meet and chat with other parents. We are also asking if any parents would like to help in the nursery, doing a painting, reading or cooking session. If you have any ideas or would like to come to our drop in day then please let a member of staff no.

Label clothes

Please could parents label all items of clothing worn to nursery. If items of clothing are not labeled we have less of a chance to track them down if they are lost. So please can all items of clothing, drinks bottles, bags ect be labeled before bringing it to nursery. Also if your child has borrowed nursery clothes then can you please bring them back to nursery as soon as possible. Sometimes your child will need changes of clothes throughout the day so please ensure they have enough changes of clothes in their bags.

Nursery summer fete

On Saturday 3rd July we will be holding our first nursery summer fete. We will be raising money so we can take the children on nursery outings. We are charging £5 if you would like to have your own stall at the fete. We are also asking if anyone could donate any raffle prizes. We would appreciate any donations. There will be hook a duck, tombola's, face painting, clothes stalls, book stalls, raffles and lots more. Please ask a member of staff for more details.
