

Owls Trip to Normanby Hall

On the bus we saw lots of cars zooming around and a large lorry, which the children got very excited about. When we were approaching Normanby Hall we could see the reindeers from the bus. We thought one of them was Rudolf so we waved at him politely.

When we arrived at Normanby Hall, we saw a big peacock. We thought that it was very brightly coloured and asked the children to see what colours they could see on its feathers. Holly took a photo of it, which we will take back to the nursery for the children to look at and learn from.

Then we all walked to the duck pond where to our surprise we met Alfie and his mum. Alfie's mum very kindly let us share her duck feed. We loved feeding the ducks and giggled as they waddle along to get the food we had thrown for them. We also liked hearing them quack as they ate the food. Some of the children copied the quacking sound.

Shortly afterwards, Holly said that we should move on to the park. Each child took a turn on the swings and Holly gently pushed them. We were all very tired after the day's excitement so we decided to go back to the nursery for a rest.
