

Dandi Lions with the Wise Owls

Tuesday 15th November 2011

We were all so excited about going to Dandi Lions we couldn't wait. When Michelle told us the minibus had arrived to take us we could not get our coats and shoes on fast enough.

On the bus we saw lots of cars, lorries and fields. We drove past Asda and saw lots of people busy shopping. When we got to Dandi Lions Michelle paid the nice gentleman for our entry.

Then we went to play, we'd been told not to run so we speed walked to the play area instead.

Michelle and Stacey came around with us and we raced down the slides together. Ben thought the yellow slide was too big. Ollie loved it and kept taking Stacey down with him. It made us go really fast!

We all had so much fun we didn't want to leave but had to return to the nursery for our tea. We had a snack there that was different to usual; we had fruit juice and biscuits as a special treat. We look forward

to going again soon.
