

North Lincolnshire Museum

Attendees: Katie, Ruby, Neve, Tia, Daniel, Millie, Sofia, Ben, and Sophie.

On Friday 20th of May we went for a walk to Tot's Time at North Lincolnshire Museum. On the way there we saw lots of different types of cars, a double decker bus and even a really big lorry driving carefully by. When we got to the museum we all had a go in the lift. We all thought it made a funny noise as it took us up to the first floor 😊

The theme for tots time this month was teddy bears. There were teddy bears everywhere! There was bear puppets, teddy bear puzzles and we all sang teddy bear songs.

Millie and Tia had a great time gluing and sticking teddy bear pictures... they got very sticky but we washed our hands afterwards with warm soapy water so all the glue came off. Ben really enjoyed cuddling with Mr and Mrs Bear. Ruby and Katie enjoyed reading teddy bear books. After tots time we walked back to the nursery where most of us had a lovely nap 😊
