Methods of payment is changing

In the foreseeable future payment methods for paying nursery fees will be changed. Cheques will no longer be acceptable at Wise Owl due to repeated cheques 'bouncing', an alternative method will be to pay nursery fees using a visa debit or credit card at the nursery using the chip and pin service. Date will be confirmed very soon to when these changes will take place.

Also setting up a monthly standing order is another method of payment if you do not already pay using this method. Standing order forms are available at nursery just ask Kelly or Naomi if you have any questions or concerns regarding any of this information.
