## Nursery Garden

Our nursery garden is now being re-renovated which will benefit all the babies and children. The new garden once completed will provide a very stimulating learning environment for your child. There will be different sensory areas which will enable your child to learn and develop in all six areas of learning.

There will be occasions where the gardeners will need to have access to the garden during the week to enable them to finish the work at a quicker rate. There will be some occasions where we cannot have our free-flow system in operation but this is only temporary whilst the work is being carried out. We will make every effort to ensure your child gains adequate fresh air by extra visits to the local park, local amenities etc.

A big thank you to everyone who attended Wise Owl's 4<sup>th</sup> birthday party and wearing fantastic fancy dress costumes, we hope you all had a lovely time and we would like to thank you all for your contributions to the party food.
