

# August/September

I recently sent you all copies of the new amendments to our policies and procedures if you would be able to sign at nursery to say you have received and read them it would be much appreciated. Thank you.

## The Garden

Our Garden is currently being re developed so we can have growing and planting areas as well as new grass so at the moment we are a bit muddy hence the needs for wellies so please do not send your children in their best clothes we try to keep them as clean as possible but this proves to be an impossible task

## Reminder regarding fees, teas and signing in and out

Could you please pay nursery fees by the 5<sup>th</sup> each month, and teas need to be paid for in advance. If you would like teas adding to your fees invoice please tell a member of staff and this can be arranged for you. It is very important that your child is signed in and out at nursery we recently had a practice fire drill and 3 children were not signed in so please, please try and remember. Thank you

At the moment we are trying to do our bit to help cancer research, if you would like to donate any old clothes, shoes etc we have collection bags at nursery where you sign in and out. Also if you have any spare pants and socks to donate to nursery that would be a big help. Thank you
