

# June/ July Newsletter

As you will all be aware we have recently had new carpets fitted.

To protect these and keep them clean we are asking all parents/carers to bring in a pair of wellies for their child to put on as soon as they go out to play the children will then be encouraged to put their slippers or shoes back on when they come inside.

## **The Garden**

Our Garden is currently being re developed so we can have growing and planting areas as well as new grass so at the moment we are a bit muddy hence the needs for wellies so please do not send your children in their best clothes we try to keep them as clean as possible but this proves to be an impossible task

going to be lots of fun!

### **A fond farewell**

Also sadly leaving us in July is Emma F both Emma and Josh will be greatly missed and we wish her and her family all the happiness for the future xx

In Light of these staff changes we have decided to make a few adjustments hopefully these will course minimum disruption to all the children and can we reassure you all that these decisions have been given great thought taking into account everyone involved.

As from the first week of August Kelly will be running the Nursery as Nursery Manager with Naomi as her Deputy manager a role which both have had experience in which means Kelly will be based in the office to deal with all the day to day running of the Nursery and all queries you might have.

Naomi will stay in charge of Downstairs with Alice promoted to Nursery Nurse to assist her. Adele has been promoted to Senior Nursery Nurse and will be moved to upstairs to work along side Emma.

All staff are comfortable in all areas of the Nursery so both myself and Emma are confident that this will be a smooth transition and I will be on hand other than when in labour to assist in any way I can as the Nursery will always be a huge part of my life and I love you all and your children dearly.
