All children who attend Friday morning session are invited. However don't worry if your child doesn't attend they are still welcome to meet us there, and join in with the fun too, along as an adult accompanies them. The younger babies will be able to explore the soft area, feeling all the different textures, whilst having fun too. The Older babies will be able to freely explore the play area and find challenges as they move through, this will help build their physical development. Children will also build on their social development as they will share the experiences with their peers.

Collecting Tesco vouchers here!!

Thank you to everyone who has been helping Wise Owl to collect vouchers for schools we already have 630 vouchers which is fantastic but more vouchers are needed to get more fantastic equipment for the children. Asking family and friends to collect is a great way of receiving more vouchers so please help us if you can.

Wise Owl lady of the month

We have introduced 'Wise Owl lady of the month' We are asking that all parents vote for a member of staff by filling in a box, putting the staffs name and the reason why they deserve wise owl of the month . At the end of May we will see who has the most votes. The box is near the communication board in the Owls room.

Kerrie Hartley-Sinclair won the award for February/March for her dedication, hard work, quick learning and settling in really well
Well done Kerrie!!

Important Changes!

Staff

We are having a few staff changes for the next several months, due to training. Kelly will be spending time in the owlets room with the babies, Alice will be spending time with the older children in the Owls room and Naomi will be spending time in the office with the computer. ☺ Over the next several months Naomi will be acting Manager so if you have any concerns or help please speak to Naomi instead of Kelly. Please be patient as Naomi is still learning in the office.

As we are a free-flow nursery we will still see our key children on a regular basis, so the bond between key person and child will stay strong. So don't worry about this as your child will still receive the best possible care.

Methods of payment is changing

In the foreseeable future payment methods for paying nursery fees will be changed. Cheques and cash will no longer be acceptable at Wise Owl due to repeated cheques 'bouncing', an alternative method will be to pay nursery fees using a visa debit or credit card at the nursery using the chip and pin service. Date will be confirmed very soon to when theses changes will take place.

Also setting up a monthly standing order is another method of payment if you do not already pay using this method. Standing order forms are available at nursery just ask Kelly or Naomi if you have any questions or concerns regarding any of this information.

Childcare fees

Thank you to all our customers who pay their childcare fees on time each month as it makes sure that our nursery workers are also paid on time too. However if fees are not paid by the 5th you will occur a late payment fee to £25. This will be added on your monthly invoice, if payment still hasn't been received by the 10th care will be refused until payment is received. It is Wise Owl policy to take it to county court to retrieve money owing.

As it is getting warmer please can you provide your child with a sun hat and sun cream Thank you
