Hello everyone,

We would like to let you know that we are having a fun day very shortly and we would love for any ideas you might have to help the day go with a swing,

We are looking to have a sponsored activity to raise money for NSPCC as we all know this is a good cause to help those children in need!!

Any ideas you have please mention these to the staff so that we could maybe include these in our "plan of action"

We will inform you soon of the dates and times so that you can make a space in your diary!!!!

We are getting more and more children being brought to the nursery before their session is due to start at 8 or 1 Parents must NOT leave their children before their session starts.

Please can we all be aware that the nursery and its staff are NOT INSURED OR REGISTERED to be responsible for your children until 8oclock. Please note that if parents continue to leave before 8 then the nursery staff will be advised to not open the nursery doors until 8

also due to the dinner time rush we also ask that children are not brought until 1oclock to allow staff and children time to finish dinners and prepare for the afternoon session.

MANY THANKS FOR YOUR CO-OPERATION

Teas and Fees

Teas and fees need to be paid for in advance,

Those parents who do not pay their Nursery Fees by the 5TH of the month will incur a late payment charge this is already in force and will happen every month that the payment is late, so please can we all check our invoices either by email or the handed out ones to check to see how much is owed

THANK YOU to those parents who pay on time well done keep it up!!!!
