

Our Trip to the Pet Shop

Children who went:

Jack, Megan, Jacob, Eden, Ollie, Millie, Euan

Staff:

Alice, Michelle & Kerrie

As the children were very interested in animals, we decided to go on a trip to the pet shop! After lunch we all sat nicely to put our coats on and waited to get into our car seats and made sure we were safe. Then Alice and Michelle climbed aboard and we were ready to go 😊. Alice took pictures of us all in our seats and we all had a big smile on our facescheeeeeese.

Jacob pointed out all the cars on the way; we saw post man pat and his van as well. Then we arrived at the pet shop, we climbed out of our seats very carefully and made a fantastic line ready to go in. When we walked into the pet shop there was a lot to see! First we went to look at the birds. There was a big one who could talk to us. Jack liked him very much.

Then we walked around to the smaller animals, Millie and Megan liked the hamster very much, they said he was fluffy. As we carried on walking we saw some reptiles. There were slimy snakes, long lizards and super snails. Jack loved the huge lizards and asked if we could take one to nursery. Alice then told us all that we had a special job whilst at the pet shop. We needed to find a guinea pig and new fish to come to nursery with us. We picked a beautiful fish which Eden named Peppa (after Peppa Pig). After picking Peppa we went to find the guinea pigs. There was a big white and brown fluffy one who we all loved and we named him George. The lady put him in a big box so we could take him back to Wise Owl. We had to climb back on the bus very carefully as we had 2 new animals

with us. George and Peppa have settled at nursery and love being part of the Wise Owl family 😊
